UNEXPECTED ADVENTURE TORRES

Torres del Paine – the explorer's dream.

The ultimate land of adventure.

The inspiration behind the new KGM Torres, informed by this dramatic natural scenery.

A rare and unforgettable experience.

This is the exhilaration of adventure, and why you have been waiting for Torres.

FREE YOUR SPIRIT OF ADVENTURE

Bold, rugged, confident - Torres has been designed from the ground up for your next adventure. With its three-dimensional headlamps and daytime running lights, LED rear lights and spare wheel cover inspired tailgate, it looks every bit like an authentic SUV.

POWERED BY TOUGHNESS

Taking its design cues from the original and authentic SUV, this new car reinterprets the spirit and heritage of KGM.

By blending the elements of the original design into a bold, confident look fused with innovative technology and functionality – this is Torres.

CLEAR LENS, FULL LED HEADLIGHTS / 6 VERTICAL GRILLE CASTELLATIONS
FLAG STYLE EXTERIOR DOOR MIRRORS

COMBINATION LED REAR LIGHTS
BODY-COLOURED HEXAGONAL REAR TRIM & EXTERIOR TAILGATE HANDLE

WIDEN YOUR HORIZONS

Sitting behind its wide, slim and contemporary dashboard gives you the sense of space and an uninterrupted view of the route ahead. Whether driving through the city or on your way to the mountains, relish the unfolding landscape and the excitement just around the next corner.

AMBIENT LIGHTING

Soft and luxurious mood lighting which can be set in any one of 32 colours, accentuates the interior and can be adjusted at night to prevent glare and create a sense of calm.

SMART, DIGITAL AND INTUITIVE

Integrated seamlessly into the harmonious and ergonomic interior design, Torres minimises the use of physical controls while ensuring clear communication, ease of operation and convenience by presenting information on 12.3-inch touch screen that is intuitive and easy to use.

- 1 12.3" smart audio system with HD rearview camera
- 2 Apple CarPlay and Google Android Auto
- 3 Front dual zone auto air conditioning system

STYLE YOUR WAY

While the exterior of Torres imbues a rough, tough vibe, the interior is intended to portray a more delicate, comfortable and contemporary space. You can finish your Torres to match your individual style with a selection of interior colours - grey, black or brown, and adjust your seat position and other features to achieve exactly the right level of convenience, comfort and relaxation.

1 Powered 8-way position and 2-way lumbar support driver's seat 2 40:60 split and fold-flat rear seats with 32.5° reclining 3 Heated seats, front and rear 4 Ventilated front seats

LOAD UP AND TAKE OFF

The load area has the best-in-class capacity from 703litres – 1,662litres.
 A large luggage space befitting a mid-size SUV.
 There is also a discrete and hidden space under the load floor for even greater space efficiency and security.
 This huge and useable space will become part of your new way of living.

- CHOICE OF SEATING CONFIGURATIONS
 Load space
- 1 NORMAL SEATING (703litres)
 - 2 2nd row 40% FOLDED (1,181litres)
 - 3 2nd row 60% FOLDED (1,320litres)
 - 4 2nd row 100% FOLDED (1,662litres)

POWERFUL, DYNAMIC AND FUN

Wherever your next journey takes you, you'll enjoy the drive with Torres. Its direct injection turbo petrol engine and smooth, efficient transmission responds quickly from the start, demonstrating excellent performance under real driving conditions. Feel the fun building and the control you get from the optimised driving/steering modes: normal, sport and winter driving mode with the automatic transmission, and normal and sport steering mode with the manual gearbox.

1.5 GDI TURBO PETROL ENGINE

With the global trend for high-performance downsized engines, this unit delivers maximum torque from a low of 1,500rpm, for dynamic driving in everyday life.

Max. Power (PS/rpm)	163 / 5,000 ~ 5,500
Max. Torque (Nm/rpm)	280 / 1,500 ~ 4,000
Displacement	1,497 cc
Petrol Engine	1.5 GDI turbo

SHIFT BY WIRE TOGGLE SWITCH

The latest 3rd generation 6-speed AISIN automatic transmission chosen for some of the world's best cars gives a superb shift performance for an agile, smooth drive.

DRIVING/STEERING MODE SYSTEM

Three optimised driving modes (Normal, Sport & Winter) with the automatic transmission.

UPHILL OR DOWN DALE – GO SAFELY

Torres delivers best-in-class safety – no compromise.
With a best-in-class 8 airbags and the highest utilisation of high-tensile steel plate, the safety of driver and passengers is assured.
And there is a seatbelt reminder alert for all five seating positions to ensure every journey is safe from the moment the car starts.

8 AIRBAGS

1 Driver's airbag 2 Driver's knee airbag 3 passenger's airbag 4 5 Driver's & passenger's side airbags
6 7 Curtain airbags 8 Seat centre airbag

DRIVE WITH CONFIDENCE

Wherever the spirit of adventure takes you, get there and back safely. By fusing innovative intelligent technology into an original and authentic looking SUV, the KGM Torres delivers a comprehensive suite of state-of-the-art driving assistance features, making it one of safest and most relaxing cars to drive and travel in.

THE LATEST ADVANCED DRIVER ASSISTANCE SYSTEMS

BSW (Blind Spot-detection Warning)

RCTW (Rear Cross Traffic Warning)

ELECTRONIC STABILITY PROGRAM (ESP)

The ESP features a multi collision brake system (MCB) that prevents secondary crashes following a primary accident, and Trailer Sway control helps prevent your trailer or caravan from swaying side-to-side when towing.

1 Electronic stability programe (ESP)

2 Multi Collision Brake (MCB)

3 Trailer Sway control

AWD SYSTEM

Whether going off-road or driving in the rain, Torres achieves its safe driving performance through the optimal distribution of driving force between the front and rear wheels. This is all thanks to the AWD system developed by KGM with its proven track record in the design and manufacture of four-wheel drive.

FOR THE ROAD AHEAD

Whether climbing a mountain or fording a river, Torres will remain sure-footed throughout. With its extremely impressive four-wheel drive system, Torres offers an exemplary off-road ability on even the toughest terrain, and you can tow a boat, trailer or caravan without trepidation.

FORDING

Submersion up to a depth of 300mm (under 30km/h) is achievable through the highly effective waterproofing of its chassis.

Under 30km/h

Depth 300mm

TOWING CAPABILITY

In the event of a trailer snaking while being towed, the trailer sway control function takes over to help the driver regain control when this alarming phenomenon starts to affect the steering and directional stability.

with braked trailer

1,500kg

with unbraked trailer

750kg (2WD/MT) or 500kg (2WD/AT, 4WD/AT)

FOR A WORLD OF ADVENTURE

Drawing on the spirit of the Torres del Paine paradise deep within South America, Torres gives you the confidence to go wherever you choose, inspiring you to explore higher and further to savour new horizons.
